

BESPOKE AWARDS PLAN

Significantly increase your chance of success and save valuable time. Did you know the average industry win rate is just 10%? Our win rate is over 60% (almost 2 in 3) - the best in the business!

To ensure you have the best chance of winning the awards you deserve, the secret is to enter the awards that you have the best chance of winning based on your strengths and the type of awards you would like to win – that's where our annual awards plan comes in. We have calculated that being smart about the awards you enter will increase your chance of winning by around 20% before you even put pen to paper.

Your Bespoke Awards Plan Package will include the following:

- Award name and website link
- Organiser details
- Summary of the award purpose
- Award/business sector
- Recommended categories for each award based on your preferences
- Entry deadline
- Entry fee details
- Ceremony date (and fee if applicable)

Total cost: £995 + VAT

To get started all you need to do is complete our short questionnaire which follows this document, which should take you no more than about 10 minutes. Our expert researcher will then get cracking on your plan.

Your award recommendations will be sourced from our database of over 15,000 UK and international awards and categories and based on eligibility criteria.

Once we have completed your plan all you need to do is choose the awards you want to enter and our experts will take care of the rest for you. If however, you want to take care of the entry drafting yourself rather than using our experts, you are of course welcome to do so, after all it is your plan and you paid for it!
